

Welcome to Schoology. Please visit for weekly and monthly letters, homework, holiday and event updates, and other school-related material.

Follow these steps to access Schoology.

1. Open www.schoology.com in your web browser.
2. Login with your child's student id as both Username and Password.

The screenshot shows the Schoology website interface. At the top, there is a navigation bar with the Schoology logo and links for 'Why Schoology', 'Solutions', 'Markets', 'Support', 'About', and 'Contact'. A 'Login' button is in the top right corner. Below the navigation bar is a large blue banner with the text 'Simple, Engaging Learning from Anywhere'. Underneath the banner, it says 'Schoology offers a dynamic, scalable learning management system that both teachers and administrators love to adopt.' To the right of the banner is a 'Sign in to Schoology' section with two input fields: 'Email or Username' and 'Password'. Below these fields is a blue 'Login' button and a link that says 'Forgot your password?'.

3. Click Resources

The screenshot shows a navigation menu with three items: 'Albums' with a folder icon, 'Members' with a person icon, and 'Resources' with a book icon. The 'Resources' item is highlighted with a blue border.

4. Click on the folder for the present school year

5. Select any document for viewing or printing

6. You can contact your teacher, the school secretary or the principal from the Members section

The screenshot shows the 'Members' section of the Schoology interface. On the left, there is a navigation menu with 'Albums' and 'Members' (highlighted). In the center, there is a profile card for 'Yam Bergstrand' with a person icon and a crown icon. To the right of the profile card is a 'Send message' button with an envelope icon. There is also a settings gear icon in the top right corner of the profile area.
